Find a color that fits your style, find a spot that fits your small space and play a track that hits just right, totally hands-free with Alexa. Make your room a vibe with Echo Pop's front firing speaker that delivers full sound. Just ask Alexa to play your favorite music, podcasts, audiobooks, or wind down with meditation, sleep sounds, and more. Learn more about Alexa Entertainment. Alexa, play my favorite song. Here's what customers are saying So far, it has proven itself in sound, voice recognition, and connectivity to my existing Dot and wifi. I am so happy I grabbed one and mad I did not grab two. Walker O'Haver This was so easy to set up and we started using it right away!!! Love the lavender color!!! I would definitely buy this again. Sharlene Ellis Its compact design doesn't compromise on sound quality the full, rich audio is impressive. Alexa integration makes it effortlessly smart, allowing me to control my smart home devices with ease. LanayaHatch Prepare for the day with weather and news updates, stay on track with timers and reminders, keep in touch with hands-free calling, and satisfy all your curiosities with answers to questions and jokes. Make any space a smart space Add voice control to any outlet with a smart plug or manage compatible smart home devices. Switch on a disco lamp to get the party started, dim the lights to set the mood for a movie, or turn up the thermostat as you head out. Learn more about Smart Home. Alexa, turn on my disco light. Connect compatible Echo devices to surround yourself with Multi-room music or create an intercom to check-in on your roommate without having to shout across the hall. Extend your wifi coverage and say goodbye to drop-offs and buffering with eero Built-in on a compatible eero wifi network. With tens of thousands of skills and counting, Alexa can help you do more or do less - like playing relaxing sounds, giving news updates, testing your music knowledge, and more. Just say, Alexa, what are your top skills? Connect to the internet with the Alexa app. Ask Alexa for music, weather, news, and more. Designed for Sustainability We measure this device's carbon footprint and look for opportunities to reduce its emissions at every stage of its life cycle. Figures are for Echo Pop, not including any other versions (e.g., any kids edition) or any bundled accessories or devices. We update the carbon footprint when we discover new information that changes the estimated carbon footprint of a device by more than 5%.See Echo Pop fact sheet 42kg CO2e life cycle carbon emissions Made from 3% recycled materials.(power adapter and cable not included).100% recyclable packaging (shipping packaging not included).EnergyLow Power Mode reduces energy consumption when idle, except in certain situations. We also invest in renewable energy equivalent to this device's electricity usage.Trade-in and RecycleBuilt to last. But when you're ready, you can trade-in or recycle your devices.
