Photo Courtesy: Ask Media Group The summer is in full swing and there is nothing better than going to the beach or at the park sitting next to the water, contemplate the view, take a good book and immerse ourselves. That's why we're throwing out some ideas for the perfect summer novels. We look at the rules of the «Beach Reads» rules: most of the titles here are totals or grant some instant gratification & <or both. And everyone will transport you in distant places or in the type of environment where you had a holiday to spend a holiday, both for the time they were written and for the place where they are set. Photo Courtesy: GoodReads The most ancient book of the list is the first of a series of five psychological thrillers written by Patricia Highsmith on the infamous character of her Tom Ripley. Although it is a sociopath with more than homicide trends, the reader cannot avoid being from Ripley's side while reading the exciting novels of highsmith. All the series is set in Europe with the first Book leading the protagonist and the reader to Sanremo, Rome, Palermo and Venice. Furthermore, there is a constant desire for a trip to Greece. Photo Courtesy: Goodreads This Australian classic is set in 1900 and presents a group of pensioners of a Victoria's female school that take a day trip to the nearby geological formation Hanging Rock. There are many descriptions of the right picnic clothing, the beauty of the landscape and relationships that combine this group of teenagers and their teachers. And while the writing style of Joan Lindsay and the setting of this novel can make you make parallels with other classic youthful novels written and interpreted by women, the final of Picnic at Hanging Rock may have been written only over the years & €[™] 60 Photo Courtesy: Goodreads Allow me to mention the Christmas city with this Spanish novel set in Barcelona in 1979. Written by the writer Galiziano-Catalan Manuel VÁzquez MontalbÁn, South Seas Áf i The famous PÁl of his novels with the protagonist private detective Pepe Carvalho. It is a gourmet obsessed with food, literature and the city of Barcelona. In addition to a methodical description of the city at the end of the years & €[™] 70, the book also includes references to a trip to the southern seas never existed. Photo Courtesy: Goodreads written by the Japanese author Haruki Murakami, this newly born novel follows the history of Toru Watanabe, a university student obsessed with American literature. Try to rebuild her life in Tokyo over the years & € 60 and ends up in relation to two women who could no longer be different: Naoko, ex girlfriend of her best friend, and Midori, one of her classmates. The reader from the busy streets of Tokyo to the quiet of a remote rehabilitation center in the mountains near Kyoto. Courtesy: Goodreads Miami loan shark Chili Palmer goes to Las Vegas, hoping to get a debt paid, and ends up in Angeles, where the cinematographic activity learns and how to become a producer. Set in Hollywood in 1990, this classic Californian masterful suspense mixes, emotions, humor and even the smallest hint of Western. This story is this story for Hollywoods excellence that there is a 1995 film adaptation with John Travolta and a 2017 television show with Chris OÁ ÁDowd, but you should absolutely start from the novel of Elmore Leonard. Photo Courtesy: Goodreads The American Women's LEON writer has been called Venice House. His first book in the yellow series interpreted by the detective of the Venetian police Guido Brunetti follows the investigation of the death of a conductor of a orchestra after being poisoned during the interval of a Verdiana opera at La Felice.Leon public Regularly a new episode of Commissioner Guido Brunetti for decades. So if you love Venetian setting, the police stories and the continuous descriptions of all foods (and drinks) that Brunetti engages daily, this could surely be the series that he is for you. Photo Courtesy: Goodreads You will probably never see the sequel to Luca Guadagnino of her cinematographic adaptation Call me by your name. And if on the one hand the following of the novel by AndrÁ Á Aciman, Find me, leave a little disappointed Hardcore fans of Elio and Oliver, from the other there is nothing better than to return to Original material.Situated on the background of the Italian Riviera, this novel follows the early helium while falling in love with Oliver, a graduate and elio& € Á student, his parents are guests for the summer. This legendary summer reading perfectly captures the feeling of someone's nostalgia and offers many engaging conversations, morning baths, pleasant bike rides, a furtive relationship and a passionate journey to Rome. Photo Courtesy: Goodreads The Nigerian author Chimamanda Ngozi Adichie set This story & a & a <What deals with immigration, race and sense of belonging> in Lagos, London and New Jersey. The protagonist is Hemelu, a young Nigerian who moved to the United States to continue his studies. AmericanahÁ, makes it for a great reading not only as an engaging and funny novel, but also as a studio on breed in America from the point of view of a non-American black person. The novel also tells a complex love story between iFemelu and Obinze, who moved to London where he lives as immigrant without documents. Photo Courtesy: Goodreads I don't care if you have already seen the HBO miniseries rich in stars and you know not only the killer of this story, but also the identity of the person who dies and whose survey feeds the entire plot , the soapy thriller of Liane Moriarty still deserves a reading. Northern California Coast, the novel Big Little LiesÁ, is set in the Northern Beaches suburbs of Sydney. Other part, the jam book humor and sharp jokes - especially when it comes to including dialogue fromPolice interrogations among the many parents who bring their children to the same school as our protagonists - you will find enough nugget of new material to justify reading. Photo courtesy: Goodreads Taylor Jenkins Reid's historic Fiction Bestseller is situated between the publishing world of the present day of New York and the classic Hollywood of the 50s, 60s and onwards. When relatively unknown journalist Monique Grant is commissioned to write a profile on legendary actress Evelyn Hugo, he cannot believe her career-changing fortune. The novel guides the reader through a series of interviews between Monique and Evelyn in which the first Star tells her story and the reasons behind her many marriages over the years. Photo courtesy: Goodreads Andrew Sean Greer Greer, Pulitzer PULICZER WINNING STARS WINNING STARS ARTHUR Less like a novelist with a diminishing career and a broken heart. As if all this had not already been done, less is on the verge of turning 50. When her longtime ex-boyfriend invites less to her wedding, our unfortunate protagonist decides to embark on a series of international back-to-back trips with a & a ~ Áramshackle itineraryÁ to avoid the event so many dreaded. Greer's fun and never quieter novel takes the reader and its protagonist from the foggy shores of San Francisco to New York City, Mexico City, Turin, Paris, Berlin, Morocco, India and Japan. Photo courtesy: Goodreads The latest published novel by late SpyMaster John Le CarrÁ Á is a return to some of his defining themes of his career in the world of international espionage, which he accurately describes "and without a glamorous look or spectacle. The novel stars Nat, a reluctant-be-out-of-the-field agent in his strong forties, who had a long career of development sources in Russia. The NAT goes back to London and somehow can't help but get involved in another surveillance ground. The book is set in 2018 and there is constant chatter among its characters about Brexit and the Trump administration. Le CarrÁ Á doesn't favor any of those. Even if you don't like international thrillers with double agent that very much - who isn't? Á & a ~ "The agent who runs in the field is still worth reading if not only to appreciate the succinct but masterfully rich and descriptive prose. Photo courtesy: Goodreads Add to Beach Read this Beach List Read Why Emily Henry Romance Novel really does its title justice. Set in a small town in Michigan, the novel tells the story of the bestselling Romance Author January and has acclaimed fiction writer Gus. They end up being close and living side by side in cottages on the lake. One thing leads to another and they end up making a deal: within end of summer is the one to plume a romantic book and she will write a dark and cook one. They both need to teach each other everything they need to know to be able to produce something in a genre they are not accustomed to working in. Of course, in addition to all the And write, there is also the time of love. Photo courtesy: Goodreads of last year's revelatory novel Last year's vanishable half tackles the theme of passage when it comes to racial identity. The historic Brit Bennett-Storel Brit, which has already been developed into a limited series of HBO, tells the story of two identical twin sisters from a small town in rural Louisiana where the majority of the black population is so light that one of the sisters passes as a white woman for most of her life after the city He's on the run. The action spans several decades from the 1950s and weaves together the life of the assimilated sister - who is leading first a double life in New Orleans and then in Los Angeles & a ~ ~ "with that of the other, who is forced to return home. Photo courtesy: Goodreads Close this list with an August release from one of the bestselling authors of 2020. After its Mexican Gothic was chosen as best horror novel last year by Goodreads users, author Silvia Moreno-Garcia returns with Velvet was the night. The Mexican Canadian author sets the action in 1970 on Mexico City and writes about Maite, a secretary obsessed with romance stories and his beautiful neighbor Leonora. When the object of its fixation disappears, the maite begins to search for it - but it is not the only one. one.
