Leavers' Assembly - Big Brother's School Days

(Presentation with photos playing whilst parents are in hall waiting.)

(BB Eye & music playing as pupils enter. Fade out. Year 6 cheer as Presenter 1 & 2 enter.)

Presenter 1: (Jumping about, lots of gesturing and waving. Rest of year 6 cheer and clap)

Hello! Woooooo! Hello! (Crowd stop clapping.)

We've brought you Big Brother. We've brought you Celebrity Big Brother. We've brought you Big Brother's Little Brother. We've brought you Big Brother's Ex-Girlfriend's Second Cousin's Brother. Now we bring you our most electrifying show yet...we bring you Big Brother's School Days!!!

(Crowd start to cheer and woop again.)

Presenter 2: Easy tigers! Settle down! As you can see we're already excited down here at (School name), where shortly we will be meeting our housemates. This year, in a revolutionary twist to our show, all the housemates will be year six children from the school! (Crowd makes 'oooooh' noises!) The housemates will have to perform their most difficult challenges yet, as they battle, not to save themselves from eviction, but for the right to earn their places at secondary school! (Crowd make louder 'ooooh' noises!)

Presenter 1: So let's not mess about, it's nearly time to meet the contestants...and watch the audition tapes!

(Presenter 1 & 2 move to edge of stage. Play videos of children "auditioning" – saying why they want to be on BBSD and get the opportunity to move onto secondary school. Film friendship groups if big year group)

Presenter 2: Well...we've certainly got some characters this year! It's going to make for an interesting show, that's for sure!

Presenter 1: The housemates are settled in now, and Big Brother's School Days has officially begun! Tune in next time to see how the housemates deal with their first task and stay with us now for Big Brother's After-School Club!

(Presenter 1 & Presenter 2 leave the stage as Presenter 3& 4 move on.)

I know that one day you will make all of us and your academy proud. Therefore, teachers are the candles that light the path for their students and lead them. Didn't you? For more articles and updates please stay tuned. We hope to have been good and bearable hosts. Your speech was speechless. Second host: I don't have a word to express how you We ask the class students âa âa âa . We hope that the students have learned something from this and will put these sayings into practice. Prize distribute your prizes. It was really beneficial and extremely motivating. His opinions were based on reality and I know that the entire audience loved his speech. We won't make everyone feel bored so that's why we won't make everyone feel bored so that's why we won't make everyone feel bored so that's why we won't make everyone feel bored so that's why we won't make everyone feel bored so that's why we won't make everyone feel bored so that's why we won't make everyone feel bored so that's why we won't make everyone feel bored so that's why we won't make everyone feel bored so that's why we won't make everyone feel bored so that's why we won't make everyone feel bored so that's why we won't make everyone feel bored so that's why we won't make everyone feel bored so that's why we won't make everyone feel bored so that's why we won't make everyone feel bored so that so that a supplied to the following lines: "Start with the great name of God who is the King of Kings, who is the Lord of Lords, who is Mine who is His, and who is the whole world" A s.To entrust with the highest name of Allah Almighty, who is omnipotent and merciful. So it doesn't matter, try harder next time. Read also: Award distribution guide in English How to end the program? And it's time to motivate Our students to advance, give the best of Sã and win all days as today they did. So please, I give a great applause a them. First anchor: Yes, she is right Mrs. They performed so well and it was invaluable. We warmly welcome you all to today function with a heart ³ full of love. A presenter is a person who organizes a show, program or performance ³ the stage. I loved the way he expressions. Today all of you will witness great performances of your children. They may include some lines for that. Find some better lines, for the anchor script for a talent show at school to help you go with the flow of function n. How 3 to start the programFirst, the anchor must start with the name of God. So, in the future, we would like to call on the stage the most decent and intelligent student in the class to come and the guest) who participated in our function³ n. So please give a big round of applause for her. First Anchor: "Amazing! His expressions were just wow. In fact, everything is under the control of the anchor or host³ so it is very essential that they are fully prepared. Please give a big round of applause for motivating these little fairies in the class. How ³ to praise the interpreters? This performance was 3 . He who has made the weapon of knowledge for those who do not have it. We are very honored to have our top guests, respected parents among us. We know that at this moment everyone's heart 3 s beating so fast and all the performers are nervous and excited about their results. The wait is over, we like to call the stage to the respected main guest Mr. $^{\hat{A}}$ $^$ interpreters. Without taking your precious time we will initially invite you to dance or o performers on stage and receive your prizes. Congratulations! Thank you Lord for handing out the prize. They are really talented and have excellent qualities in them. So let's go ahead and see what other artists will do. Calling the Debate/Speech Competitors who can interpret from the picture to the presentation of a speech. So if you are the one who is going to host the show or show, then you have to be fully prepared to host the feature from start to finish. Thank you for all your encouragement, for listening to us, for taking us, and most importantly for giving us your precious time. Even I don't have a word to express how they performed and it was just amazing. and my co-host is bringing hosts for today's program. Miss... Today in this talent search they're going to show their talents in front of you. Similarly, we have talented and great students who are going to go on stage and perform in front of all of you. So stay tuned and cooperate with us until the end of the event. Learn More We certainly have talented students in all grades of our school. You can take this script and edit it according to its theme of function and contents. From dance to theatre, singing and speaking, to sports activities, and many more. Congratulations! Thank you very much, miss. We congratulate the winners and their families on the achievement. Please, a big round of applause for the Principal Welcome Speech for the Inauguration Day of the School in one who has always encouraged us and brought us this far. Yes, it was an outstanding performance. My co-host and I are very happy to welcome you all to our talent show today at where students from different classes will perform on stage and be rewarded. Who only deserves prayer and love, he is the one. Read more â¦. How to welcome the does not mean that you are weak, in fact, it means that you have become stronger than before. They made our day. Sports skills. Obviously, to praise them, we need a thunder of appliause at every action, so please join your hands for the little fairies. Calling Tableau ArtistsAnd now let's welcome our school's first cute little fairies on stage to perform their amazing tableau. We ask our respected director to come on stage and address the students with his speech on stage. Finally, we want to thank the honorable principal guests, the respected director and the members of our staff who made all this possible. At such a young age, she's learned a lot. That all of you cooperate with us and listen to the precious phrases. So please join your hands for the class studentâ € â € and the members of our staff who made all this possible. At such a young age, she's learned a lot. That all of you cooperate with us and listen to the precious phrases. much more more and interesting for us. She must be winning. Second Anchor: I am proud of it. Let's see what happens next. You can add here more performances like singing, drama, poetry and many more depending on the theme of your performances. How to call the director on stage. And now, let's call the one who's on stage and doesn't need an introduction because everyone knows him from the things he's done for us.
