How to apply

How long it takes you to complete the application will depend on your particular situation. You will be able to save your application and come back to it another time if you need to.

If you are inactive for 25 minutes you will be automatically logged out.

To apply for a visit visa to the UK, you need to:

- complete the application form and answer in English
- pay for the **visa fee** online (in most cases)
- provide your biometrics** (fingerprints and facial photograph)

Biometric information

If your visa application allows you to stay in the UK for more than 6 months at a time, as part of the application process, you are also required to apply for a biometric immigration document, commonly known as a **biometric residence permit (BRP)**.

How we use your data

The Home Office will use the personal information you provide to decide whether to grant your application. We may also share your information with other public and private sector organisations in the UK and overseas. For more detail please see the [Privacy Notice for the Border, Immigration and Citizenship system](#). This also sets out your rights under the Data Protection Act 2018 and explains how you can access your personal information and complain if you have concerns about how we are using it.
