At TownSq, we're committed to continuously improving based on your valuable feedback. We're thrilled to unveil a series of powerful enhancements to help you work smarter, stay organized, and manage your community with unmatched ease and effectiveness.###ARTICLETownSq App Revolutionizes Community Living with All-in-One PlatformAssocia Partners with TownSq to Bring Groundbreaking App to North America, Enhancing Residents' ExperienceDallas, TX October 30, 2017 Associa has collaborated with TownSq to introduce an innovative app that empowers residents to effortlessly connect with each other, manage their accounts, access crucial community information, and communicate with management through their smartphones.TownSq is a groundbreaking platform that sets a new standard for condominium communication technology. This all-in-one app enables residents to engage in forum discussions with neighbors, stay updated on newsfeed notifications, and submit service requests with ease.The TownSq app offers various features that make community living more convenient and enjoyable. Users can book amenities, make online payments, receive updates on requests, and access important association news and documents for better community living.Associa's partnership with TownSq is expected to transform the way communities communicate with residents and management teams. The app's real-time information and special features have never been seen in the association industry before.TownSq was developed by a Brazilian company that streamlined condominium communication technology in South America. It currently serves over 1000 communities and 100,000 residents worldwide.The TownSq app is now available for designated community members on iTunes and Google Play. Residents can register on the platform by following the prompts in their email invitation or visiting www.tscmanagement.com.With TownSq, community management teams, board members, and residents can experience community living their way. The app is designed to be user-friendly and provides a mobile community experience that helps users stay informed about everything happening in their community.Looking forward to seein everyone at the meeting tomorow and discussin our strategies for downloadin the TownSq app on your Android, followin these simple steps: Open the Google Play Store (Android) or the iTunes store (iOS)Search or browse for TownSq and select the TownSq iconTap Install and Follow the onscreen instructions to complete the processFor makin a payment from the web, visit www.tscmanagement.com and click member login. Then select the account you'd like to apply a payment to and choose from options includin pay your open balance, set up a recurring payment or make a one-time custom payment.In the TownSq app, choose the account you'd like to apply a payment to and click make a payment to choose from a menu of options. For payment questions, email kdaniel@tscmanagement.comTo find documents and forms, look down the left side of your TownSq screen for the Documents tab and use the categories just inside to narrow your search. Some forms and documents may be under multiple categories.For billing issues, contact your account manager at Texas Star Community Management @ accountmanager@tscmanagement.com and include your property address.To update your name, email and billing address, send it to your account manager in writin'. It can be sent by email or US postal service.Payin for HOA assessment on TownSq has several options: mail a check at no additional cost, set up a direct debit with no additonal cost, pay by Echeck for a convenience fee of $2.95, or pay by Credit/Debit Card for a convenience fee of $7.95.
