If you click on a link and make a purchase we may receive a small commission. Read our editorial policy. GTA 5 cheats are a staple of any GTA playthrough at this point, being the easiest way to get straight to the fun - which most of the time means straight to the invincibility, weapons,
 ammo and of course helicopters. For a full list of all GTA 5 cheats, console commands, and phone numbers, then, you've come to the right page. Do note that for money, there is no money cheat, but there are some alternatives. If that's what you're after, we have a guide on how to make money in GTA 5 that'll have you rolling with the elite in no time!
On this page: GTA 5 Cheats - GTA 5 Super Jump, Invincibility, Max Health - PS4, Xbox One, and PC Watch on YouTube How to enter cheats in GTA 5 GTA 5 added some interesting ways to input those controller codes or, alternatively, whip out the in-game cell
 phone to dial in a number that activates the cheat instead. On PC, you can do either of those things and also use console commands - the commands are actually the words spelt out by the phone numbers, which is a nice touch (giving you things like 1-999-LAWYERUP)! Here's a quick rundown of how to enter cheats on each platform: PS5, PS4 and
 PS3 - Follow the button prompts in the cell phone and Call the respective number. Xbox Series X/S, Xbox One and Xbox 360 - Follow the button prompts in the tables below on the controller, or press Up to bring up the cell phone and Call the respective number. Ybox Series X/S, Xbox One and Xbox 360 - Follow the button prompts in the tables below on the controller, or press Up to bring up the cell phone and Call the respective number.
in the tables below on the controller, or press the Up key to bring up the cell phone and call the respective number, or press the key to the left of 1 on your keyboard (¬ in the UK or ~ on a US keyboard) to use console commands. Remember to use all capital letters and hit enter when done. The in-game cell phone in action. | Image credit:
Rockstar/Eurogamer There is a decent range of cheats available for GTA 5 players, but it's worth noting that some classics are missing - there's no way to spawn yourself a tank for instance, plus no actual, official money cheat - despite what a lot of people will tell you! For weapons, there is only one cheat - unlike in earlier games, and there's only a
 short list of vehicles you can get your hands on. Otherwise, there are a couple of final things to bear in mind: first, you won't be able to unlock achievements or trophies or get anything other than a Bronze rating on missions, in a session where cheats have been activated. Second, all of these cheats are purely offline only - cheats are disabled in GTA
Online, due to the pretty obvious disrupted effect they'd otherwise have! GTA 5 vehicle cheats From spawning helicopters to limos and golf caddies to motorbikes, here are all the vehicle cheats for GTA 5. GTA 5 Cheats for Xbox Xbox Series X/S, Xbox 360 and Xbox One GTA cheats work in the same way as they do on PlayStation platforms: you can enter them at any point in offline mode by using the
controller inputs listed below, or by dialling the cell phone numbers listed next to them. Image credit: Rockstar The only thing to note is that the buttons don't always line up exactly with their counterparts on PlayStation - so just because you have, say, the Invincibility cheat burned into your muscle memory on one platform, that doesn't mean it's the
exact same buttons on the other. Double check the list below when in doubt! CheatXbox Cheat CodeCell Phone Number Drunk ModeY, Right, Right, RT, Left, LT, Right1-999-547867 Fast SprintingY, Left, Right, Ri

 yourself invincible, use slow-motion aiming and remove your wanted level, you might want to get unlimited money next. And although older GTA games offer money? Playing the markets and completing assassinations is the way to go
  | Image credit: Rockstar/Eurogamer Instead, you have to put in the work yourself - and thankfully, we can help with our GTA 5 stock market explainer, which offers a step-by-step breakdown of how you can use stock market assassinations to boost your capital. It's not the same as a quick and easy GTA 5 money cheat, but at least it's earned 'honestly'
 plus, the rewards will stick with you long after you've finished your cheat-fueled rampage. Needing more GTA 5 help? Check-out our guides to modding GTA 5. Cell phone cheats (similar to the ones from GTA IV) make their debut in Grand
 Theft Auto 5's release on the PS4 and Xbox One consoles. Unlike in GTA IV, however, cheats are not saved to the phone's menu once entered - they must be re-keyed each time you want to use them. For a list of button-input cheats, check out our complete list of all GTA 5 Cheats and Codes for PS4, PS3, Xbox One, Xbox 360, and PC. Cell phone cheats

 cheats, check out our guide right here. Here you find the full list of GTA 5 Cheats for PS5, PS4 and PS3, including all Cheat Codes Guide as it details how to activate them on all PlayStation versions, and answers all FAQs about cheats in Grand Theft Auto V. The
 Grand Theft Auto games are well-known for including cheat codes, and GTA 5 keeps the tradition going with a large variety of GTA V cheat codes available. There is a total of 34 cheats in GTA 5, which you can use to have fun in Los Santos, wreak havoc with Michael, Franklin and Trevor, or just have an easier time when playing the game. The effects
 of GTA 5 cheats include Invincibility, the ability to restore Health & Armor, get weapons and ammo, remove your wanted level, spawn various vehicles, get explosive bullets, and many many more. However, some classic GTA cheat codes were not made available by Rockstar Games, as there is no money cheat, and no way to spawn a Tank. GTA 5
Cheats for PlayStation GTA 5 Cheats for Xbox GTA 5 Cheats for PC This GTA 5 Cheats PS3 (Original Game) GTA 5 Cheats PS4 (Enhanced edition released in 2014) GTA 5 Cheats PS5 (Expanded & Enhanced edition released in 2022)
It's important to note that all the GTA cheats work exclusively in single-player mode, there are no GTA Online cheats. How To Enter GTA 5 Cheats on PS5, PS4 & PS3 There are two ways to enter GTA 5 cheats for PS4, PS3, and in the Expanded & Enhanced edition for PS5: Controller Cheats: similar to classic GTA games, quickly enter the button
 combinations on the controller for your desired GTA 5 cheats. You can also enter these in the pause menu. Cell Phone Cheats (PS4 & PS5 only): similar to GTA 4, bring up your in-game phone by pressing, access the Contact List, and press to bring up the dial pad. Then, dial the phone number for your desired GTA 5 PS4 cheats. You can enter GTA 5
 cheats on PS4 at any time during general gameplay using the method you prefer, either via the controller or as GTA 5 cell phone cheats. A "Cheat Activated" message will appear on the bottom left of the screen to confirm the activation of the effect. Unlike cheats in GTA IV, the GTA 5 phone cheats are not stored on the cellphone and must be re-
 entered each time. However, you can press * on the dial pad to quickly re-enter the last cheat you used. You can de-activate some GTA V cheats by simply re-entering them, although certain cheats require you to restart the game or reload a previous save file in order to remove them. The GTA 5 cheats also get disabled when your character dies. Note:
 several cheats only work in Freeroam and cannot be activated during missions or in restricted areas. In those cases, the game will show a "Cheat Denied" message. Do GTA 5 Cheats Disable Trophies & Achievements, but only for the current play session. This means that after you restart
the game and reload the save file, cheats will be de-activated and you will be able to earn achievements again. While there is a lot of misinformation about this topic, this is the definitive answer. So unlike classic GTA games, the GTA 5 cheats don't permanently block trophies, even if you saved while cheats were active. Activating GTA V cheat codes
on PS5/PS4/PS3 also prevents you from getting a higher rating than Bronze medals in missions, but again, just for the current game session until you restart the game, they're safe to use. In any case, it's always recommended to
 save the game before using cheats in Grand Theft Auto V, so that you always have a "clean" save slot where you have not used cheats. GTA 5 Cheat Codes for PS5 & PS4 and the respective phone
 numbers needed to activate them. *These three cheats are exclusive to Enhanced versions (PS4 & PS5) and can only be activated after unlocking the vehicle. GTA 5 Cheats for PS5, PS4 and PS3, with both the Controller Button inputs and the GTA 5 Cell
 Phone Cheats, along with the details of each effect. Maximum Health & Armor Cheat This is the classic GTA cheat that restores your health by giving you full health and armor meters. This cheat also repairs your vehicle if you're in one. 1-999-887-853 [1-999-TURTLE] GTA 5 Invincibility Cheat / God Mode This cheat makes you completely invulnerable
to damage for 5 minutes, including bullets, explosions, fall damage, going underwater, etc. The GTA 5 invincibility cheat only lasts for five minutes, however, you can re-activate it when the timer runs out. 1-999-724-654-5537 [1-999-PAINKILLER] Note: the GTA 5 Invincibility Cheat cannot be activated during missions. GTA 5 Weapons Cheat & Ammo
 Cheat The GTA 5 weapons cheat gives you a weapon of each type (Knife, SMG, Assault Rifle, Pump Shotgun, Sniper Rifle, RPG, Grenades), plus ammunition. Enter the cheat again to get more ammo. 1-999-866-587 [1-999-TOOLUP] Raise Wanted Level Increase your wanted level by one star. The more stars, the more police forces will try to take you
 down. 1-999-3844-8483 [1-999-FUGITIVE] Lower Wanted Level to zero. 1-999-5299-3787 [1-999-LAWYERUP] Recharge Special Ability The special ability cheat refills your character's special ability meter for the character
 you're controlling. This includes Michael's bullet time, Franklin's driving ability, and Trevor's rampage. 1-999-CATCHME] Swim Faster This cheat gives you the ability to swim faster. 1-999-4684-4557 [1-999-GOTGILLS] GTA 5
 Parachute Cheat This cheat simply adds a parachute to your inventory. Useful if you're about to jump off a mountain. 1-999-756-966 [1-999-SLOWMO] Slow
 Motion Aim (Bullet Time / Dead Eye Cheat) This cheat allows you to aim in slow motion, similar to Michael's special ability or Dead Eye from Red Dead Redemption. The effect is increased each time you enter the code (up to Level 3) and gets disabled the fourth time. 1-999-3223-393 [1-999-DEADEYE] Note: the Slow Motion Aim cheat cannot be
 activated during missions. Drunk Mode The GTA 5 Drunk Mode cheat makes your character drunk and clumsy, with harder controls and distorted camera effects on foot and vehicles. 1-999-547-861 [1-999-LIQUOR] Note: the Drunk Cheat in GTA 5 Drunk Mode Cheat makes your character drunk and clumsy, with harder controls and distorted camera effects on foot and vehicles.
 ten times higher than normal. You can hold the jump button for even higher jumps. 1-999-467-8648 [1-999-HOP-TO-IT] Moon Gravity This cheat lowers gravity for you and any car you're driving. 1-999-467-8648 [1-999-HOP-TO-IT] Moon Gravity This cheat lowers gravity for you and any car you're driving. 1-999-467-8648 [1-999-HOP-TO-IT] Moon Gravity This cheat lowers gravity for you and any car you're driving. 1-999-467-8648 [1-999-HOP-TO-IT] Moon Gravity This cheat lowers gravity for you and any car you're driving. 1-999-467-8648 [1-999-HOP-TO-IT] Moon Gravity This cheat lowers gravity for you and any car you're driving. 1-999-467-8648 [1-999-HOP-TO-IT] Moon Gravity This cheat lowers gravity for you and any car you're driving. 1-999-467-8648 [1-999-HOP-TO-IT] Moon Gravity This cheat lowers gravity for you and any car you're driving. 1-999-467-8648 [1-999-HOP-TO-IT] Moon Gravity This cheat lowers gravity for you and any car you're driving. 1-999-467-8648 [1-999-HOP-TO-IT] Moon Gravity This cheat lowers gravity for you and any car you're driving. 1-999-467-8648 [1-999-HOP-TO-IT] Moon Gravity This cheat lowers gravity for you and any car you're driving. 1-999-467-8648 [1-999-HOP-TO-IT] Moon Gravity This cheat lowers gravity for you and any car you're driving. 1-999-467-8648 [1-999-HOP-TO-IT] Moon Gravity This cheat lowers gravity for you and any car you're driving.

 No, there is no unlimited money cheat code in GTA 5 - not in single-player, and of course, neither in GTA Online. There are many fake videos on the internet about the GTA 5 Money Cheat, as well as other cheats not on this page - but they're not actually in the game, they're only a result of modding on PC. Unlike GTA San Andreas and GTA III, which
feature dedicated cheat codes that give you $250,000, the money cheat is not present in GTA 5. However, there are some great ways to make money in GTA 5: The best method is to save Lester's Assassination missions until the end of the story missions, after completing all heists. This will ensure you have the maximum money to invest in the stock
market thanks to the Assassinations, allowing you to earn millions across all three characters. Can you spawn a Tank in GTA 5. Unlike the GTA cheat codes of previous games such as GTA San Andreas, Vice City, and GTA III, there is no GTA 5 tank cheat. The button
combination of the old Rhino Tank cheat is actually assigned to spawn the Buzzard Attack Chopper in Grand Theft Auto V. Do Cheats Work in GTA Online. All the GTA online? No, the GTA 5 cheats do not work at all in GTA Online. All the GTA online cheats. Can you save the game while
using cheats in GTA 5? Yes, you can safely save the game when using GTA 5 cheat codes, as their effect is not saved and does not carry over when reloading a save. If you used cheats, you won't be able to earn trophies and achievements just for the current session. This effect will no longer be a problem after you restart the game. After restarting the
game, the cheats will be de-activated, and you will now be able to earn trophies and achievements again. You can also still obtain 100% Completion in a save file where you used cheats. Can you enter GTA 5 cheats in the Pause Menu. After pressing the START / OPTIONS button, it's also
 advised that you first press or go deeper in the menu before entering the cheat. This will prevent you from accidentally backing out of the pause menu by pressing the START / OPTIONS button again. If you exit the pause
menu with , the cheat will not work. How to disable during the current playthrough, and the only way to de-activate them is to restart the game or
reload a previous save file. Can you use GTA 5 cheats during missions? What is the "Cheat Denied" message? During missions or specific areas of gameplay, certain GTA cheat codes cannot be activated. These include the GTA 5 Invincibility Cheaty, Drunk Mode, Slow Motion Aim, Explosive Attacks/Ammo, Moon Gravity, the Skyfall cheat, and more. If
you enter a cheat code when it is unavailable, the game will show the following message: "Cheat Denied: Cannot activate that cheat right now." Either way, using any of the other cheats during a mission will prevent you from obtaining a higher rating than a Bronze Medal. The same "Cheat Denied" message may also appear with the GTA 5 Car Cheats
when trying to spawn vehicles in very small or restricted areas. In this case, try the GTA 5 Phone Cheats on PS3? The GTA 5 Phone Cheats were introduced with the Enhanced Edition of GTA 5 for PS4, Xbox One
and PC. So the phone cheats are not available on the original PlayStation 3 and Xbox 360 versions. The only way to enter cheats on the old-generation consoles is via controller button combinations. GTA 5 cheat codes for PS5, PS4 and PS3, as well as the GTA 5 cell phone
 cheats in action. GTA 5 Cheats: Play as Any Character & Animals (via Director Mode) In addition to the main single-player mode and the GTA Online multiplayer, Grand Theft Auto V for PC, PS4, and Xbox One also comes with a special "Director Mode". The GTA 5 Director Mode gives you the freedom to play as any character model in the game, from
Story Mode characters, hundreds of NPC & Pedestrians and even Animals - and free-roam experience by adjusting various Settings, such as Location, Time of Day, Weather, Wanted Status, Pedestrian Density, and Vehicle
 Density. Via the Settings menu, you can also permanently activate certain cheats like Invincibility, Flaming Bullets, Explosive Melee, Super Jump, Slidey Cars, and Low Gravity. All the other cheats can also be activated by entering the respective button combinations. With the Director Mode in GTA V, you can stage creative scenes,
record them, and later edit them in the Rockstar Editor and share them with the community. How To Access Director Mode in GTA 5 The GTA 5 Director Mode in GTA 
 Menu From the In-Game Phone by selecting the contact "Acting Up" By dialing the Phone number directly (similarly to a Cheat Code): 1-999-57-825368 Thanks to Director Mode, Grand Theft Auto V is the first game since GTA Vice City. This

PS:R2+LEFT XBOX: RT+X (Smartphone must be opened) Instant Open Friend Map-PS:DOWN,DOWN XBOX: A,A (Smartphone must be opened) Have you longed for a more efficient, destructive and cheaper way to heartlessly slaughter innocent civilians in the streets of Los Santos? The answer is probably an enthusiastic "yes", and lucky for you
the developers at Rockstar have included numerous cheats in Grand Theft Auto V to help bring your twisted criminal dreams to life. Exclusive to single-player play, GTA V features a long list of cheat codes across all platforms, from invincibility and super speed to slow motion and intoxication. Each code can be inputted in one of two ways: entering a
phone number into your cellphone, or executing a specific button combination during play. The phone numbers used to activate cheats are the same across all platforms. To use them, pull up your cellphone in-game and open the phone number here and that will activate your cheat. If you choose not to use your cellphone, on PC,
you will need to use the cheat console, which appears by hitting the "~" key on US keyboards, or the "¬" key on US keyboards. On console, button combos will be detailed below for every cheat across all platforms: Xbox One/360, PlayStation 3/4 and PC
 Change Weather Cycles through weather conditions.  Theft Auto 5's release on the PS4 and Xbox One consoles. Unlike in GTA IV, however, cheats are not saved to the phone's menu once entered - they must be re-keyed each time you want to use them. For a list of button-input cheats, check out our complete list of all GTA 5 Cheats and Codes for PS4, PS3, Xbox One, Xbox 360, and PC. Cell phone cheats
 in GTA 5 vary from codes to cell phone numbers. Others will be added here as they are discovered. 1-999-5299-3787 (LAWYERUP).  Theft Auto V is already fun enough, but sometimes I want to create the most chaotic environment imaginable... and not die. If you're like me and have a desire for godlike power in the GTA universe, here are the cheats for all versions of the game to help you achieve just that! This comprehensive list covers all GTA V codes and phone numbers across
all platforms. With the game's re-release on the next-gen consoles, we have updated the list with the latest codes to include the codes for PS5 and Xbox Series S|X. Raise your wanted level one star at a time to make more police chase you. This will eventually lead to helicopter and tank pursuits. PS3/PS4/PS5: R1, R1, CIRCLE, R2, LEFT, RIGHT, LEFT, LEFT
 RIGHT, LEFT, RIGHT Xbox 360/Xbox One/Xbox Series S|X: RB, RB, B, RT, LEFT, RIGHT, LEFT, RIGHT PC: FUGITIVE Phone: 1-999-3844-8483 [1-999-FUGITIVE] Decreases your wanted level one star at a time to make police chases less intense, or can be used to get rid of them completely. PS3/PS4/PS5: R1, R1, CIRCLE, R2, RIGHT, LEFT, RIGHT PC: FUGITIVE Phone: 1-999-3844-8483 [1-999-FUGITIVE] Decreases your wanted level one star at a time to make police chases less intense, or can be used to get rid of them completely. PS3/PS4/PS5: R1, R1, CIRCLE, R2, RIGHT, LEFT, RIGHT PC: FUGITIVE Phone: 1-999-3844-8483 [1-999-FUGITIVE] Decreases your wanted level one star at a time to make police chases less intense, or can be used to get rid of them completely. PS3/PS4/PS5: R1, R1, R1, CIRCLE, R2, R1GHT, LEFT, R1GHT PC: FUGITIVE Phone: 1-999-3844-8483 [1-999-FUGITIVE] Decreases your wanted level one star at a time to make police chases less intense, or can be used to get rid of them completely.

 numbers. Moreover, these codes won't work on Xbox 360 and PS3 version of the game. It is also recommended to save the game before using the phone number cheats for GTA 5. About the author Quick Links Edited by R. Elahi This guide contains all known Cell Phone Cheats in GTA 5. Cell phone cheats (similar to the ones from GTA IV) make their
 debut in Grand Theft Auto 5's release on the PS4 and Xbox One consoles. Unlike in GTA IV, however, cheats are not saved to the phone's menu once entered - they must be re-keyed each time you want to use them. For a list of button-input cheats, check out our complete list of all GTA 5 Cheats and Codes for PS4, PS3, Xbox One, Xbox 360, and PC.
 Cell phone cheats in GTA 5 vary from codes to cell phone numbers. Others will be added here as they are discovered. 1-999-5299-3787 (LAWYERUP). Below is the complete list of GTA 5 Cell Phone Cheats that currently work on PS3, Xbox 360, PS4, Xbox One, and PC. CONFIRMED CELL PHONE CHEATS Cheat / EffectPhone Number Random

 L1, Left, Left, X, Triangle How to use GTA 5 cheats There are a few ways to enter GTA 5 cheat codes. The first and easiest is to use your cellphone by pressing Up on the D-pad. From there, enter the corresponding number, and the cheat will fire. You can also classically input cheats by following a specific button
 combination. The combinations are the same across PlayStation and Xbox, but we've split them up to account for their different button-naming conventions, so it should feel more natural reading and entering them. GTA 5 cheats PS4 and PS5 as well

 You can also purchase "Shark Cards" with real-world money, which gives you in-game currency. Jesse Lennox has been a writer at Digital Trends for over five years and has no plans of stopping. He covers all things... Keeping track of every new video game release is a nearly impossible task. Games are constantly being announced, delayed,
 rereleased on new platforms, remastered, canceled — you get the point. With the upcoming games lineup constantly shifting on PC, Switch, Xbox Series X, PlayStation 5, Switch 2, and mobile, it can be hard to find games to look forward to playing (and to budget for) in the coming months. Despite the herculean task of tracking an entire year of video
 game release dates, we're giving it our best shot. Check out this month-by-month schedule of new video game releases. We're focusing mainly on highly anticipated titles with concrete release dates, but will also include little-known indies and keep an eye on launch plans for games way out in the distance like Grand Theft Auto 6 or games that are still
 very early on in development like Hogwarts Legacy 2 or The Last of Us Part 3. If you're looking to get a quick glance at the future of video games, this is the place. We'll keep this list updated and as accurate as possible at regular intervals. 2025 release dates Now that 2025 is here, the early months are already filling up with pretty impressive game
 releases. We'll be sure to note games that have expected or rumored release windows alongside games with solid launch plans. Read more November's PlayStation Plus lineup is packed with games this month, both in terms of quality and quantity. However, with Grand Theft Auto 6 on the horizon (hopefully sometime next year), arguably the biggest
 addition is Grand Theft Auto 5, which is back on the subscription service after leaving earlier this year. There's not much to say about GTA 5 that hasn't already own it on some platform, but if you somehow don't or just want
 to play it on the PlayStation 5 or 4, you can play it for free with an Extra or Premium subscription. Read more When the PlayStation 5 first launched back in November 2020, it was nearly impossible to get your hands on the highly anticipated console. Despite demand being through the roof, chip shortages heavily cut production -- and due to sustained
 consumer interest, it was a problem that plagued the PS5 for years after launch. Thankfully, we're happy to report that those issues have largely been resolved, making it pretty easy to grab a PS5 these days. The launch of the PS5 Pro has ignited another buying frenzy, and with Black Friday coming up, Sony has even cut the price of the base PS5.
 Read more This guide contains all known Cell Phone Cheats in GTA IV, however, cheats are not saved to the phone's menu once entered - they must be re-keyed each time you want to use them. For
a list of button-input cheats, check out our complete list of all GTA 5 Cheats and Codes for PS4, PS3, Xbox One, Xbox 360, and PC. Cell phone cheats in GTA 5 vary from codes to cell phone numbers. Others will be added here as they are discovered. 1-999-5299-3787 (LAWYERUP). Below is the complete list of GTA 5 Cell Phone Cheats that currently

 RT+X (Smartphone must be opened) Instant Open Friend Map-PS:DOWN,DOWN XBOX: A,A (Smartphone must be opened) Here's how to unlock special vehicles and abilities, and other gameplay-changing features with phone cheats in GTA 5. You can use the cell phone cheats in GTA 5 to unlock vehicles and weapons, become invincible, lower your
 wanted level and much more. To activate the cheats, bring out your phone by pressing UP on the d-pad (on consoles), or "T" or BACKSPACE on PC. This will bring up the dial pad. Then enter the phone number that
 Corresponds to the cheat you wish to activate from the list below (or, if you want to use the cheat you last entered, just press * on the dial pad (X on XDOX, SQUAKE on PlayStation, or SPACEBAR or MIDDLEMOUSEBUTION on PC).
The cheat will be activated. Just make sure that you save your game progress before using the cheats as activating them will block Achievements. Also, don't bother looking for a money cheat because there isn't one, it would make the game's stock market feature pointless. Drunk Mode: 1-999-547-861 (1-999-LIQUOR) Driving, running and walking
become very hard. Fast Run: 1-999-228-2463 (1-999-CATCH-ME) You can run more quickly. Fast Swim: 1-999-769-3787 (1-999-FOWER-UP) Will recharge the special ability of your character. Skyfall: 1-999-759-3255 (1-999-SKY-FALL) Will spawn you mid-air and
falling... with no way to use a parachute. Super Jump: 1-999-467-86-48 (1-999-HOT-HANDS) Your punches and kicks become explosive and much more
724-654-5537 (1-999-PAIN-KILLER) You become invulnerable for 5 minutes. Then you need to enter the code again to keep it going. Max Health & Armor: 1-999-887-853 (1-999-DEAD-EYE) When you aim everything goes to slow-mo. Parachute: 1-
999-759-3483 (1-999-SKY-DIVE) Equip a parachute. Weapons: 1-999-8665-87 (1-999-TOOL-UP) Gives you all the weapons in the game. Change Weather: 1-999-625-348-7246 (1-999-MAKE-IT-RAIN) Cycles through the weather effects each time you enter the code. Director Mode: 1-999-57-825368 (1-999-JR-TALENT) A short cut to GTA 5's director
mode. Moon Gravity: 1-999-356-2837 (1-999-FLOATER) In-game gravity is altered to "moon" settings. Slippery Cars: 1-999-289-9633 (1-999-SNOWDAY) Cars will drift. Slow Motion: 1-999-756-966 (1-999-SNOWDAY) Cars will drift. Slow Motion: 1-999-756-966 (1-999-SNOWDAY) Cars will drift.
BUZZ-OFF) The a Buzzard chopper. Spawn Caddy: 1-999-4653-46-1 (1-999-HOLE-IN-1) Spawn a golf cart. Spawn Comet: 1-999-266-38 (1-999-COMET) Spawn a sports car. Spawn Duster: 1-999-846-39663 (1-999-VINEWOOD) Spawn a limo. Spawn PCJ-600: 1-999-762-538
