There are 60 Side Adventures in total, and you will meet an interesting cast of characters along the way! List of All Side Adventures Side Quests are minor missions which you can find all across Hyrule's regions. There are 152 Shrines in the game, so keep a sharp eye out for these mysterious structures! List of All Shrines Shrines Lists All Shrines All Shrine Quests In Tears of the Kingdom, Hyrule's complete map is now split into three, namely the Surface, Sky, and Depths maps. And this time around, it's twice as big with both the sky and a vast underground to explore. A world as huge and filled with adventure as Hyrule has all sorts of things going on that might cause anyone, even a legendary swordsman, to get lost. See our comprehensive Shrine walkthroughs by region below: Welcome to our Tears of the Kingdom Walkthrough. Almost all of the Main Quests are technically optional in one way or another, and some will provide more benefits than others on the road to defeating Ganondorf and finding Princess Zelda. They are also used to launch Link high in the sky, either to reach faraway places by paragliding or to simply look around the overworld. Welcome to IGN's The Legend of Zelda: Tears of the Kingdom Walkthrough. All Tower Locations Since the Upehval, Caves have appeared throughout Hyrule's Surface and Sky. As you progress through the story, you will also receive the Purah Pad and Sage Abilities, which you can use to aid you in your adventure. These range from one-handed to two-handed weapons, spears, and bows. See our comprehensive Shrine walkthroughs by region below: Welcome to Game8's Walkthrough Wiki on The Legend of Zelda: Tears of the Kingdom (TotK).
