Stainton is the co-creative director. Click here for more information. Already described as a "sumptuous, vivid and painterly work" by The New York Times, reviews in the UK included this from the Financial Times: "This is elegant, witty writing, informed throughout by generosity and wise perceptiveness. "I'm voting Labour because I believe in social
equality." David Gilmour 5 May 2017 CLIVE BROOKS "With a heavy heart our Pink Floyd family say farewell to dear Clive Brooks, drum technician extraordinaire, who sadly passed away." Nick Mason on Facebook. 2-CD track listing is here. By Storm's own admission, he was never a draughtsman, preferring to work with ideas and concepts, and
many of his designs are notable for their surreal elements, placing objects out of their traditional contexts, especially with vast spaces around them, to give them an awkward appearance while highlighting their beauty. The band lineup was the original quartet of Syd Barrett, Roger Waters, Nick Mason and Richard Wright, augmented by Rado Klose on guitar, and, on Walk With Me Sydney, Juliette Gale on backing vocals. Nick became a student at the school in 1962, known at the time as Regent Street Polytechnic, and it was there that he started the bands with
Roger Waters and Richard Wright that eventually turned into Pink Floyd, when the lineup had stabilised as Mason, Waters, Wright, and Syd Barrett. Delicate Sound Of Thunder was recorded live over five nights in August 1988 at the Nassau Coliseum, Long Island, NY, and became infamous for being the first rock album to be played in outer space. In
the end she wrote just this one, which expresses, beautifully I think, the way the three of us, me, Nick and Rick have something when we play together, that has a magic that is louder than words". The album also saw the return of graphic artist Storm Thorgerson who designed this now iconic cover. Live At Pompeii shows an artist at a creative peak,
