Stay sharp with the Bing Homepage Quiz! Discover new questions every day covering geography, entertainment, science, and world facts. Start the quiz and improve your score! 3 Famous Quotes (Authors) 4 TV/Movie Hint: Dragons, politics, and seven kingdoms. 11 Science Hint: A day there lasts less than 10 hours. Your brain is clearly running on turbo mode, and the questions never stood a chance.At this point, even Google is scared of you.Respect, quiz champion! but your brain just said Nope, sit down.You officially smarter than 99% of the internet. You didnt just answer questions you roundhouse kicked them out of existence. If you enjoy challenging yourself with brain-stretching questions like the Bing Homepage Quiz or Bing Quiz, this ultimate advanced trivia collection is for you. Unlike ordinary quizzes, these questions require deep knowledge in multiple categories, from world geography to scientific discoveries, literature, legendary inventions, health, music, sports, and more. Inspired by the style of difficult international quizzes seen in platforms like Bing Homepage Quiz, this set contains 12 expert-level questions, each with multiple choices and hints. Its designed for people who love testing their intelligence, memory, and global awarenessnot just clicking through easy trivia. While many trivia games focus on simple questions anyone can answer, this challenge follows the standard of competitive world quizzes similar to the Bing Quiz experience. The questions were created with: Real historical facts Global relevance Deep-cut knowledge Multiple quiz categories Challenging hints instead of obvious clues Each question is meant to make you stop and think before answeringjust like the toughest Bing Homepage Quiz vids. This 12-question global mega-quiz covers multiple intellectual fields, such as: Focusing on world famous actors and record holdersquestions only true film and pop culture historians can easily answer. Not just capitalsquiz questions about world time zones, borders, and global political geography. Lines and statements from influential global leaders and classical literature creators. Award-winning international series and record-breaking productions. Global music legends, global chart records, and historic achievements. Newton, Einstein, planetary rotations, major discoveries, and world-changing theories. From the x-ray era to the inventors of the World Wide Webquestions that define human progress. Cause-and-effect knowledge involving nutrition, vitamin deficiencies, and disease history. Olympic achievements, historical world records, and global tournament statistics. Atomic knowledge that only university-level science fans may answer correctly. By combining these areas in one single advanced quiz, we create a true mental challenge worthy of Bing Homepage Quiz enthusiasts. Hard trivia quizzes appeal to people who: Compete for a perfect score Want to measure their knowledge against the world Enjoy uncovering new facts while being challenged Like quizzes that reward intelligence, not luck Just like regular players who attempt the Bing Quiz, users of this set often return to try again and improve their score. If youve been looking for a quiz that: Challenges your global knowledge Covers real-world academic subjects Feels like a Bing Homepage Quiz on hard mode Offers hints but not easy answers Helps you learn something new then youre in the right place. Click into the quiz and see if you can beat the expert-level questions.Only a small percentage of users score perfectly!Are you one of them? Previous Article Next Article The Bing Homepage Quiz is a short trivia game that shows up on the homepage image every day. Its quick (usually three multiple-choice questions), interactive, and meant to teach you one or two fun facts while you play. You can try it out without an account, but if you sign in, you can keep track of your activity and earn points through Microsoft Rewards. The experience feels more like a quick discovery than a test because each question is followed by a beautiful picture and a short explanation.Today's Bing Homepage Quiz: How to Play1. On your computer or phone, go to www.bing.com.2. On the homepage image, look for a small quiz icon or a clickable hotspot.3. To start the round, tap or click and answer the three questions.4. After each answer, read the short explanations. They are what really help your brain.5. Post your score, then come back tomorrow for a new set.If you cant find the entry point, try refreshing once or changing your region to a major market in the settings. You only need to do the Bing Homepage Quiz once a day to keep the habit going.Why The Bing Homepage Quiz Hooks YouThis format works because it respects your time. You get a fast challenge, instant feedback, and a memorable fact you can share. The visuals help you recall what you learned, and the variety keeps it funone day its a landmark, the next its an animal, then a slice of history or culture. Families use it as a one-minute challenge; teachers use it as a warm-up; lifelong learners use it as a micro-break that actually pays off.Format & Topics (What to Expect)Daily general set: A quick mix of geography, history, science, culture, and nature.News rounds: A short look at timely events and headlines.Entertainment & sports: Movies, music, TV, athletes, and big tournaments.Visual/map rounds: Identify a place, species, or locate a country on a map.Difficulty is friendly-moderate. Most questions include fair clues, and the explanation afterward turns a guess into a memory.Scoring, Feedback, and StreaksAt the end, you'll see a score (like 3/3 or 2/3) plus brief facts tied to your answers. That immediate context helps you remember key details. Want to build a streak? Play at the same time each day. A seven-day streak feels greatand its a small, sustainable way to grow your knowledge base.Microsoft Rewards: Earn While You LearnSign into your Microsoft account and you can earn points for certain quiz activities, daily sets, and searches. Points are redeemable for gift cards, donations, or sweepstakes entries. Check your dashboard and daily goals to at keep track. Pairing a daily round with Rewards turns a tiny habit into a practical perk.Pro Tips to Boost Your ScoreScan the image first. The homepage photo or caption often hides a hint.Eliminate two choices. Cut obvious mismatches to improve your odds.Look for qualifiers. Words like most, first, or except change the logic.Pause for the explanation. Those one-liners turn trivia into sticky knowledge.Build a trigger habit. The your round to coffee, lunch, or your commute.Play with a buddy. A little rivalry sharpens focus and recall.These simple practices make the Bing Homepage Quiz feel less like guessing and more like a game of pattern-spotting. Troubleshooting: Cant Find the Quiz/Refresh the page to reload hotspots on the image.Try a private window to bypass cached issues.Check region/language settings and switch to a larger market if needed.Use the Bing or Microsoft Start app on mobile to surface quiz cards reliably.If none of that works, return to bing.com and hover or tap around the homepage imagemost clickable areas subtly highlight on interaction, which helps you launch the Bing Homepage Quiz quickly.Learning Benefits in MinutesShort quizzes support microlearning, which research shows can outperform long study sessions for retention. Because the rounds are fast and visual, you engage without burning out. The small daily cadence spreads practice over time, which improves memory. Over a few weeks, you'll be surprised by how much youve picked upcaptals, species, landmarks, and cultural tidbits!Simply by showing up for a minute a day.Privacy, Access, and Family UseYou can play as a guestno sign-in required. If younger players join you, make it a co-play moment: read the prompt together, discuss the options, and check the explanation. Youll help kids learn how to evaluate choices and confirm facts, all inside a safe, guided session. Accessibility varies by region, but the core daily experience is widely available and mobile-friendly.Quick Comparison of Quiz TypesTypeLengthBest ForYoull GetDaily homepage round~12 minutesBusy learnersFast facts tied to the photoNews Quiz~25 minutesStaying currentHeadline context with light detailEntertainment/sports~25 minutesPop culture fansFilms, TV, music, teams, recordsVisual/map rounds~25 minutesVisual learnersPlaces, landmarks, species, mapsThis variety keeps the Bing Homepage Quiz fresh without overwhelming you.FAQs1. Whether youre in it for the glory, the learning, or just the laughs go ahead, take todays quiz. Your brain (and maybe your ego) will thank you! To play the Bing homepage quiz, open the Bing site and look for the Q icon near the search bar or type in Bing daily quiz in the search bar. Answer the 3 multiple-choice questions, and earn 10 Microsoft reward points if you get all the answers correct.1.Move your cursor around the Bing search bar to find the Q icon. Visit the Bing homepage on your computer and move your cursor near the search bar. Look for a hidden black box with the letter Q appearing above or below the search bar. When you find it, hover your cursor over the box to see the first question.[1]Alternatively, enter Bing daily quiz in the search bar and hit Enter to see the quiz at the top of the results page. This is also how you can access the daily quiz from a mobile browser.If youre using the Bing app on your phone, scroll down on the home page until you see the Daily Quiz section. Click on Start Quiz to see the first question.If youre still having trouble finding the quiz, use Ctrl+F or Command+F and type in quiz to find the text on the page.2.Pick your answer to the first question. Each question has 3 multiple-choice answers that you can choose from. Take a moment to look over the possible answers, and click on the option that you think is correct. Advertisement3.Check your answer on the new search page that loads. Once you choose an answer, a Bing search page for the correct answer will load. Look at the quiz box at the top of the page to see if you answered the question correctly. The answer will appear with a brief explanation.2[4]Click Next Question to advance to the last 2 questions. Below the answer to question 1, click the blue button that says Next Question to reveal question 2. Choose which answer you think is correct to bring you to the next correct answer and search page. Then, click the Next Question button again to see the third and final question.[3]5.Select Get Your Score to see how you did. After you answer the final question, click on the blue button that appears at the bottom of the quiz box. Your score will display on the next page showing how many answers you got right for the day.6.Play the quiz every day to maintain your streak. The Bing homepage quiz changes every day, so be sure to log back in the next day to see the new questions. If youre logged in and do the daily quiz multiple days in a row, your winning streak will appear when you finish the quiz. Advertisement1Pay attention to the Bing image background. The daily quiz usually relates to the image used in the homepage background, so it may give a hint at the correct answer. Look over the answers to see if anything from the background image is listed as an option.2Look up the answer if youre stumped. Even though the quiz is meant to test your general knowledge, you arent penalized if you search for the answers. Search the question online and check if any of the possible answers appear in your searches. The homepage quiz usually has pretty straightforward answers, so its not often that they'll try to trick you.3Practice with other trivia quizzes. Answering more trivia questions helps expand your knowledge so you have a better chance at solving the daily quiz. Attend trivia nights, read general trivia facts, and try out our quizzes to keep your mind sharp. Advertisement You earn Microsoft reward points if you get all 3 questions right. Whenever you ace the daily homepage quiz, you earn 10 reward points on your Microsoft account. The more you complete the quizzes and search on Bing, the more points you can earn and eventually redeem for gift cards, sweepstakes entries, or free trials.[4]If you get a question wrong, you wont earn points for the day. Visit the Bing rewards site to redeem and use your points. Check the Bing rewards site to see which offers are currently available and how many points they cost. When you want to redeem one of the rewards, click on the option you want and then click Redeem on the new page that loads.[5] Advertisement1Take the weekly news quiz.
