can lah, can meh, Can wan, can you try, can i help, own time own target, cry father cry mother, chope, one times good oneGiving permission is a straightforward process, as you simply need to say yes and welcome the person in question. You are free to bring your friends along if they do not cause any trouble. However, it's essential to ensure that they don't disrupt the environment or behave in an undesirable manner.Taking permission involves asking for something in return for a promise or agreement. The request can be as simple as "May I use your laptop?" or "Can I have water?" In some cases, you may need to be more formal and polite, which is where modal verbs like "may" come into play.Modal verb 'can' is commonly used to express ability, permission, or to make a request. For instance, "I can swim" conveys my capability to do so, while "Can I go to the bathroom?" asks for permission. On the other hand, "can be" is often employed to describe situations where things might happen or change. This could include scenarios like "Beating him in boxing can be difficult," highlighting a potential obstacle.Using modal verbs effectively allows us to communicate more clearly about possibilities and limitations. We use them frequently when seeking permission, discussing potential outcomes, or describing our capabilities. For example, "We can still get married" indicates that it's not too late for us, while "It can rain tomorrow" signifies uncertainty regarding the weather.In everyday conversations, we often rely on modal verbs to navigate complex situations and convey our thoughts more effectively. They enable us to express ourselves with greater precision and nuance. By mastering their usage, we can become better communicators and build stronger relationships with others.Can lah, the modal verb "can" - a crucial part of English grammar that's often misunderstood. However, there are situations where can is perfectly fine, such as asking permission informally or expressing ability. For instance, if you want to say that someone has the power or skill to do something, use can. On the other hand, may is used for possibility or asking permission, like "I may go to the movies tonight." To express ability, it's correct to say "I can play basketball," not "I may play basketball," as the former implies likelihood and the latter means capability.When to Use May: May expresses possibility, opportunity, or likelihood. For example: "It may rain tomorrow" (possibility), "Can I speak to you for a moment?" (asking permission), or "A coin can land on either side" (expressing ability).When to Use Can:Can is used to express ability, informally ask permission, or indicate power or means. For example: "She can solve the problem easily," "He can play chess," or "A dictator can impose his will on the people."can but and cannot but are formal expressions that mean there's no alternative to doing something; can but is similar to can only, while cannot but is like cannot help but: We can but do our best. Cannot but is the same as cannot help but: We cannot but protest against these injustices.
