The Blue Book value for an outboard motor is available in an ABOS guide or by checking the value on the Nadaguides website. The Blue Book value varies depending on the make, model and condition of the outboard motor.ABOS Marine Blue Book offers the option to purchase a print guide, a CD, a data extract or online access to determine the outboard motors value. Nadaguides is free to use. The values are organized by categories of marine watercraft and outboard motors, and are separated by zip code. Select the Outboard Motors category and the manufacturer, make and model of the motor. The site displays the retail price and the low and high list prices for the outboard motor. MORE FROM REFERENCE.COM This is a 9.9 hp Evinrude Outboard with a 20" long shaft. The 9.9 hp Evinrude long Shaft is the (#1) most desirable sailboat or kicker outboard we sell. This engine has perfect compression, starts easy, and runs excellent. This engine also has twist grip throttlet, Forward-Neutral-Reverse, and thru-hub exhaust. This motor has a Charging System and a bracket for the electric starter (just add the starter!! electric flywheel teeth and solenoid are already included). We did not test the charging system since it has to be wired so we are selling it as if it did not have one(Discounted). This should not require much work. This motor only weighs 75lbs and delivers plenty of power for any application. We have fully boat tested this engine and it runs perfect. This is a very powerful 9.9hp outboard and will serve you well. Perfect engine to use on a sailboat, back up kicker, trolling motor, Boston Whaler, Carolina Skiff, Jon Boat, inflatable, or any transom that requires a 20" long shaft. This is a two stroke engine. GO FISH!1999 Evinrude 9.9 HP 4-Stroke Outboard Motor-low milesProven, used and in excellent condition! Just had the motor completely checked out and reworked: New Carb Kit, Fuel Line Assembly, Water Pump Impeller, Gear Oil and Ignition Box. Receipts available for review. Ready to run like a champ!Ideal choice for inflatable dinghy, fishing, cove cruising and ferrying your sailboat to and from the GO FISH!1999 Evinrude 9.9 HP 4-Stroke Outboard Motor-low milesProven, used and in excellent condition! Just had the motor completely checked out and reworked: New Carb Kit, Fuel Line Assembly, Water Pump Impeller, Gear Oil and Ignition Box. Receipts available for review. Ready to run like a champ!Ideal choice for inflatable dinghy, fishing, cove cruising and ferrying your sailboat to and from the 9.5hp shortshaft 1978 evinrude.Needs a little tlc like choke and float and points timed I think. Will fire when starting fluid used but not running Will demonstrate that it runs. It just needs a little work. I no longer have the boat i it was for. But the motor is a keeper. Best offer will be accepted. Just needs a good home 9.5 Johnson outboard motor bin sitting a couple years. It's a two-stroke so it'll probably need a tune up price to sell 425 cash Call or text six six two-five four four- one four nine four can take and text pictures.Thanks 1964 9.5 HP Johnson/Evinrude outboard boat motor engine tiller drive Ran when stored..runs strong Im selling one of these old Johnson/Evinrude 9.5 hp outboards, these have a reputation for durability and longevity with their 3 ring piston design, instead of standard 2 ring design, many of them are still running strong today. I went throught this one, replacing the points, condensors, spark plugs, fuel pump, fuel lines, slow speed needle retainer spring, kill switch/ button, rebuilt the carb

9.9 evinrude outboard. How much does a 9.9 evinrude weight. Evinrude 9.9 hp outboard. Evinrude 9.9 to 15 hp conversion. Evinrude 9.9. How fast does a 9.9 evinrude go. 9.9 evinrude price.
