To get started with Google Forms, create a form by going to forms.google.com and clicking Blank form. Name your form and learn more about Google Docs Editors Help Center. ###ARTICLETo sync your files across all devices and ensure they are always up-to-date, Google Drive can be accessed through its desktop application. This allows for seamless management of files across different platforms. On this page, you'll find instructions on how to open Drive for desktop, set it up, and sync your files.
