With its forces beaten back from Ukraine's two biggest cities and making slow headway at heavy cost in eastern provinces, the war has so far proved an unconvincing showcase for Russia's arms industry. But Putin, addressing an arms show outside Moscow, insisted Russian was years ahead of the competition. Russia cherished its strong ties with Latin America, Asia and Africa and was ready to supply allies there with a full gamut of weapons from small arms to armounded vehicles, artillery, combat aircraft and drones, he said. "Almost all of them have been used more than once in real combat operations." He said Russia's offer included high-precision weapons and robotics." Whany of them lare years, or maybe decades ahead for their foreign counterparts, and in terms of tactical and technical characteristics they are significantly superior to them." Russia ranks second only to them." Russia ranks second only to them." Russia ranks second only to them." expectations of how she is to be rescued, who is to rescue her, and so forth. She seems to give off an air of prissiness and even snobbery to a degree (however this is shown to be purely out of her concern for breaking her curse, which she is ashamed of). Later, Princess Fiona's true self emerges, as she is really a very down-to-earth and independent
woman who is a match or even better than Shrek when it comes to farting, belching, and other bad habits. She is a loyal friend, and unlike princesses of fairy tales, an expert in hand-to-hand combat with knowledge of Japanese martial arts.
