Ankara will always be a fashion favourite. Bold, vibrant, and deeply rooted in African culture, its more than just fabric - its a statement.But lets be honest: sometimes, it feels like everyones rocking the same styles, prints, and Pinterest-inspired fits.And if you love fashion as much as I do, you won't want to be caught unfresh. Talk more about finding random people on the street rocking your style.So, how do you stand out in a sea of Ankara queens (and kings)? How do you slay in Ankara without looking like a walking clone of the weekends Owambe crowd? Here are tips that will definitely help.Recommended For YouLifestyle2025-08-18T14:57:54+00:00#FeaturedPostCareers2025-08-18T15:51:16+00:00Many professionals hit a plateau, not because theyre lazy or untalented, but because theyre unknowingly making a few common career mistakes.Lifestyle2025-08-18T19:10:41+00:00#FeaturedStoryALSO READ: Ankara is the new streetwearHow Gen Z is reviving traditional fashionADVERTISEMENTHow can you slay in Ankara without looking like everyone else?We all already know how creative and beautiful Ankara pattern designs are. But have you ever thought about what happens if you mix it with other materials? Magic! Luckily, it blends with many other types of material, whether denim, lace, chiffon, leather, or even satin. A denim jacket with Ankara sleeves? Iconic. A chiffon blouse with Ankara pants? Perfect for an evening date.How can you slay in Ankara without looking like everyone else?ADVERTISEMENTAccessories can make or break your Ankara look. Yes, we're used to the usual matching Gele and beaded necklace. But that's not all there is to beautiful fashion. You can decide to be spontaneous by mixing other accessories. Some accessories that always look great with Ankara dresses are:Statement beltsLayered jewelryFedora hats or turbansContemporary bags (acrylic clutches, leather satchels, etc.)Depending on your look, you can mix traditional and modern accessories to deliver that Afro-urban slay.ADVERTISEMENTSometimes, it's not what you wear - it's the fabric itself. So you can stand out by putting more thought into choosing unique prints. Depending on how you love to appear, you can choose:Rare printsMuted Ankara tones (dusty pinks, olives, taupes)Monochrome Ankara stylesAnkara with metallic or batik detailingRemember that the bolder (or subtler) the fabric, the more unique your look is.ALSO READ: How to slay in an owambe with your Ankara fitADVERTISEMENTThe good thing about Ankara is that you don't have to wait for weddings to rock them. Although they're a wedding favourite, you can still rock them on a casual Tuesday and still slay. There are so many ways to rock them for other activities:Ankara bomber jacket over jeansAnkara crop top with joggersAnkara shirt dress with sneakersWearing Ankara like an everyday style gives you a unique identity. Besides, you stand out from the crowd every time.Remember, slaying in Ankara is never about doing moreit's about doing yourself! So, find what's comfortable for you and turn faces.ADVERTISEMENT We have seen so many mother and child styles but more intriguing is the mother and child HOT ANKARA STYLES.Sometimes mothers go to a great length just to get these outfits done for their children. It is always a lovely sight to behold as these little cuties slay gorgeously in Hot Ankara styles even better than their moms. Smile. Yes! Its true and I know their moms wont be angry. It is even a wonder how much swag these kids got as they look spectacularly nice like the models on magazine covers.There is a saying that weddings are beautiful and babies, even more beautiful. The love between a mother and child cannot be quantified; it is something that is quite magical and beautiful. The joy of motherhood is unexplainable and it is only people who have experienced it that knows what it actually is. We have seen different ways of how this love is expressed by both mother and child, some in sacrificial terms others by just expressing their love towards each other in different ways. For some mothers, it is quite impossible to have something and you wont want share with your child even if it that small Ankara fabric wont be enough for her; that is how loving a mother can be.See Also50 Trending Ankara Gowns For Ladies Who Wants To Stand Out In 2018Lo, children are an heritage from the Lord: the fruit of the womb is his reward.
